

Thank you for supporting Zazie by purchasing this Brunch Kit!

Our neighbors mean the world to us; we are glad you are staying safe and staying home, and we hope that this little kit can bring a bit of joy to your day. Please post pictures of your family with their meal and tag us online, so we can see how you did!

Your kit is best used the day it's picked up, but it will keep in the fridge for 48 hours or so. Just give pancake batter and scrambled eggs a stir before continuing.

Included in your kit:

Pancake batter of your choice

Whipped butter

Pancake Syrup

Specialty Scramble of your choice

Zazie's famous home fries

Side of your choice

Instructions:

- Preheat your oven to 325 degrees
- Put your home fries and bacon/ sausage in the oven to warm up while you're cooking
- Put a cookie sheet in the oven to keep cooked pancakes warm while you're finishing off the batter
- Heat a skillet or griddle over medium high heat (heavier pans do better than thin ones)
- Grease skillet or griddle lightly with butter
- Pour pancake batter on skillet or griddle. Reduce heat to medium
- When the edges of the pancake start to bubble and become firm (about 3 minutes), use a wide spatula to flip your pancake. Cook on other side until nicely browned (you can peek under it).
- Put cooked pancake on a plate in the oven to stay warm while you do the rest of the batter.

Now, make your eggs...

- Preheat a non-stick skillet over medium heat with a pat of butter in it
- When butter is melted, add the contents of your scrambled egg kit
- Sauté over medium heat until cooked to your liking, then serve!
